Text of RTI First Appeal :

The answer furnished under Sl. No. 1 is incomplete and misleading. The Ministry of Textiles order dated 30.08.2006 is very clear and there was no question of any misinterpretation. How it was interpreted and by whom. Why clarification was not sought prior to issuance of in-situ promotion orders to 22 scientists in a series for continuous 6 years. Why a group of persons including beneficiaries responsible for gross negligence not identified and punished till date and why. Why wrong promotion orders not withdrawn till date with full recovery. Why 1 (one) Scientist-E is still working and not reverted to Scientist-D. Why CSB vide letter dated 17.02.2016 had requested MOT to reexamine the issue and treat it as closed without identifying and punishing the culprits. Why maximum number of Scientists of CSB are in court. Why CSB is not redressing the grievances of scientists amicably and compelling them to move CAT/High Court/Supreme Court. Information pertaining to Sl. No. 4-8 not furnished. Kindly provide the answer.
