## C I R C U L A R

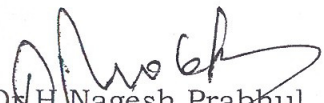

The national Voluntary Blood Donation Day in our country started on 1<sup>st</sup> October 1975, under the initiative of Indian Society of Blood Transfusion and Immunohaematology. Since then, the 1<sup>st</sup> October of each year is being observed throughout the country as the National Voluntary Blood Donation Day. As a commemoration of this day, CSB plans to initiate a noble philanthropic programme – **Blood Donation Day on 1<sup>st</sup> October of each year**, in order to fulfill the 20% gap of blood requirement of our country.

In this context, all the Director/In-charge of the CSB Institutes are requested to initiate necessary action to conduct a one-day camp for **“Blood Donation”** on **1<sup>st</sup> October of every year** - for all the officers/officials working under their control (and also their family members) in the campus of respective Institute / nested units / and other suitable place identified for this purpose, with the assistance/help of any **“Voluntary Blood Donation Camp Organization”**.

Further, a data base in respect of all the officers/officials and their family members with regard to their blood groups may be compiled & forwarded to Central Office, which may be very handy during emergency for our staff and their family members.

Usually, on Blood Donation Day the 1<sup>st</sup> October of every year – the “Blood Donation Camp” is organized by the Voluntary Blood Donation Organization, itself. However, any reasonable / unforeseen expenditure can be met under the head **A793 - Other Welfare Expenses under PLG.**

The initiatives taken by CSB staff for this life saving noble cause will be highly appreciated.

  
[D.H. Nagesh Prabhu]
